I want to hear ALL of your voices in the discussion about the *Future of Philately*. In this newsletter you will find an article about how to attract baby boomers (and others) to stamp collecting. I know that each of you has ideas (notice the plural), so let's see them in print in the forthcoming newsletters. Now is the time to provide input on your hobby.

As I write this, the last preparations for our WE meeting at StampShow are underway. WE meets on Saturday, Aug. 13 at noon in room E160A. Our membership meeting will include bylaws revision, elections, treasurer report, membership report, and FEST III report. We'll follow all of this with time for discussion and your input on directions for WE. Please plan to attend and have your voice heard.

Mark May 10-13, 2012 on your calendars and write FEST III in big letters as a reminder of this Third Festival for Philatelic Women. Fest III will be held at the Doubletree Hilton in Portland OR in conjunction with PIPEX. You don't want to miss this event. Janet has assembled wonderful seminars ranging from scrapbooking to judging. One of our presenters will be interacting via SKYPE. I've asked Anne to attach the brochure to the August newsletter.

I'm looking forward to reading your responses to the *Future of Philately* discussion. If you've not responded yet, please make your voice heard in forthcoming newsletters. This is too important to put aside and let others do all the input.

Wear your buttons. It tells everyone that you're a WE member and helps promote the organization.
