About WE:

WE is the acronym for the organization called *Women Exhibitors*. It was founded by an extraordinary group of women at AmeriStamp 2007, held in Riverside, CA. Ever since then, groups of WE members have been gathering at stamp shows around the country.

WE serves as a forum for women to discuss and explore issues relating to exhibiting. WE encourages newcomers to exhibiting and helps them get started. Continuing exhibitors serve as mentors and lend support to all as they share lessons learned in the wide world of exhibiting.

WE has meetings twice yearly at StampShow and AmeriStamp Expo. Summaries of programs and workshops held at these shows are shared through the newsletter. In addition, satellite meetings are held at national, regional and local shows. Leaders of the satellite meetings discuss issues and share information from other meetings.

WE meetings are open to all, but philately is explored from a woman's point of view. WE is supported by AAPE and is an affiliate of APS.

We expresses appreciation to all who have extended invitations for meetings and exhibits.

To join WE, complete and mail the application inside.
